Simplified
Small Business Accounting System
For The Commodore 128 Computer

ONE DISK DOES IT ALL!!!

Commodore's Microcomputers Magazine's Independent Reviewers Rated THE ACCOUNTANT™ "#1 in Preference" for Commodore 128™ Productiivity.

SINGLE PROGRAM Accounting System for General Ledger, Payroll, Accounts Receivable and Accounts Payable. Suitable for most all Small Businesses.

PRESET, but changeable, G/L Accounts for immediate setup and operation. Financial Statements are professionally designed including a Balance Sheet and Income Statement. Also included is a General Ledger Detail, Check Register Detail and a standard Debit/Credit styled General Journal.

INDEPENDENT A/R AND A/P sections for posting ease. Prints Aging Schedules and Customer Statements. Also ideal for cash-basis businesses.

PAYROLL section handles 100 employees, prints paychecks and posts results directly into the General Ledger. Also figures tax requirements and prints W-2s.

NOT Copy-Protected
Full 1 year Replacement Warranty.

Specifications:

200 General Ledger Accounts
200 Checks per Month
30 Journal Entries per Month
24 Reports & Printouts
100 Employees Active
100 Customers or Vendors
300 Invoices Allowed (AR or AP)

Hardware Requirements:

Commodore C128 or C128D
80 Column Monitor
80 Column Printer
One 1571 or 1581 Disk Drive
